## **True Colours** Lisa Davies

An innocent young woman, violently attacked in her family home by a total stranger and left to die. Beaten repeatedly and soaked with petrol as her home burned, Lauren Huxley's life was hanging by a thread. Lauren's battle to survive caused an outpouring of public love and support. The crime was so horrific, so senseless, anyone who read about the attack couldn't help thinking: how could I bear someone I loved to go through this? For her father Patrick, mother Christine and sister Simone it was like being plunged into hell. Doctors gave Lauren only a five per cent chance of survival. Her injuries were among the worst they had ever seen, so horrific that she was barely recognizable. But those insurmountable odds counted for little against the Huxley family's determination, courage and love. Together, they started to rebuild their shattered lives... and Lauren started coming back. This is their extraordinary story.
