A crazy highway accident leads to a different world...

Eliza Foster has the perfect life plan. After she graduates, she's headed to law school. Then she will marry and have two daughters exactly eighteen months apart. Her life is as well planned as her pre-law course syllabus.

However, one wrong turn on the highway causes an accident that puts her in intensive care. On her way home from the hospital, she gets lost on the familiar route and worries that she might have brain damage. While lost, she meets a strange man named Levi with silver blond hair. He claims she has wandered into the vampire Gate World.

She doubts his claim until more pale creatures attack and Levi shelters her in his home. Injured, Eliza's blood excites Levi. He doesn't want to harm her, but wants to taste her. And Eliza, heart pumping from adrenaline, finds herself wanting him more than she's ever wanted anyone.

An entire new world has opened for Eliza, both magically and sexually, and her meticulous plans seem unimportant. Now she'll need to fight for her life in order to savor the pleasures of each passing moment.
