*** A Standalone Short Story with No Cliffhanger! ***

When Rosy Mooney awakes in a metal cell with no idea how she got there, the last thing on her mind is aliens. Then a strange voice begins to talk to her from outside the cell, and she knows she is no longer in her editor's life of reading and working. The voice tells her that she is to be a slave to a race of aliens called the Ka. Rosy does not believe this, thinks it must be some kind of joke, but then she is landed on the farm of the Ka'la'tek family.

Raben Ka'la'tek, the owner of the farm, is a malicious man. Only Elion Ka'la'tek, his son, can make life bearable for Rosy. As she adjusts to her new life, the tall, strong, handsome, sexy alien is her only lifeline. Soon, they cannot hide from their feelings. He is Ka and she is human, but they begin to feel inexorably attracted to each other.

They have to leave the farm, together, but where will they go? Is their love for each other enough to escape the misery of the alien farm?
