Artistic Anatomy

Dr. Paul Richer, Robert Beverly Hale

Artistic Anatomy Dr. Paul Richer, Robert Beverly Hale

Artistic Anatomy is widely acknowledged to be the greatest book of its kind since the Renaissance. The original French edition, now a rare collector's item, was published in 1889 and was probably used as a resource by Renoir, Braque, Degas, Bazille, and many others. The English-language edition, first published 35 years ago, brings together the nineteenth century's greatest teacher of artistic anatomy, Paul Richer, and the twentieth century's most renowned teacher of anatomy and figure drawing, Robert Beverly Hale, who translated and edited the book for the modern reader. Now Watson-Guptill is proud to reissue this dynamic classic with an anniversary sticker, sure to inspire drawing students well into our century.

From reader reviews:

Robert Henderson:

Reading a publication can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new data. When you read a reserve you will get new information mainly because book is one of many ways to share the information or their idea. Second, examining a book will make you actually more imaginative. When you examining a book especially tale fantasy book the author will bring that you imagine the story how the figures do it anything. Third, it is possible to share your knowledge to some others. When you read this Artistic Anatomy, it is possible to tells your family, friends and soon about yours reserve. Your knowledge can inspire others, make them reading a guide.

Janice Burgess:

The reserve with title Artistic Anatomy has a lot of information that you can study it. You can get a lot of gain after read this book. This specific book exist new understanding the information that exist in this book represented the condition of the world currently. That is important to yo7u to find out how the improvement of the world. That book will bring you within new era of the internationalization. You can read the e-book on your own smart phone, so you can read this anywhere you want.

Dana Register:

People live in this new day time of lifestyle always attempt to and must have the time or they will get large amount of stress from both way of life and work. So , when we ask do people have free time, we will say absolutely without a doubt. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to anyone of course your answer will certainly unlimited right. Then ever try this one, reading guides. It can be your alternative with spending your spare time, often the book you have read is usually Artistic Anatomy.

Jeff Jones:

A lot of people said that they feel weary when they reading a guide. They are directly felt this when they get a half areas of the book. You can choose the actual book Artistic Anatomy to make your own personal reading is interesting. Your own skill of reading ability is developing when you including reading. Try to choose easy book to make you enjoy to study it and mingle the impression about book and looking at especially. It is to be initially opinion for you to like to open a book and examine it. Beside that the publication Artistic Anatomy can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of the time.
