Antonio César, . Morón Espinosa

**Estado antimateria (Spanish Edition)** Antonio César, . Morón Espinosa

Estado Antimateria es un compendio de cinco obras dramáticas: Dámada, Renacimiento, Mariana Pineda, Lady Pichica y La Tata Macha. La decisión, por parte de Antonio César Morón, de englobar todo el conjunto bajo el subtítulo genérico de Pentarquía de dramaturgia cuántica, conlleva la intención de construir un libro que sirva de referencia para la práctica de esta técnica inventada por él mismo y teorizada en otro de sus ensayos, publicado hace algunos años.

El lector-observador será trasladado a diversos mundos donde la figura del Estado se esconde detrás de múltiples facetas, no llegando jamás a materializarse en una única cara o línea de actuación. Desde una perspectiva de lugar común para el ejercicio del poder, la idea de Estado se nos presenta entonces como incomprensible y caótica, o, dicho con otras palabras, tenemos la posibilidad de acceder desde este teatro a una imagen cuántica del Estado.
