Parents long to help their children reach their full potential. They schedule regular medical exams, get them involved in planned activities, help them with their homework, and invest for their college education.

Yet while they may plan for their success, they can overlook a vital part of their personal development: nurturing and encouraging a solid, lasting foundation of faith.

We often assume that children are growing spiritually through church youth groups and programs. But it's essential that parents take an active, encouraging, and purposeful role in guiding them in their relationship with Jesus.

The life of Joseph offers parents a Biblical standard for building children of character. Using his story, this book will help them do just that.
