Love, Inspiration, and Adventure: But What Do I Know

Willie O'Michael

Love, Inspiration, and Adventure: But What Do I Know Willie O'Michael

“Let me say this right from the start, a poet always writes from the heart.” So begins Willie O'Michael's moving collection of poetry that captures the humdrum of life and makes it all quite magical. He believes inspiration comes from everything we see, whether that be a familiar face in the street or the experiences we've had-good or bad.

O'Michael never really fancied himself a poet until the loss of his wife, after which his mind yearned for outlet. He found that outlet in the written word. In his poems, he travels the world through his imagination to fictional places like the future Earth, scorched from the apocalypse, to real-life locales like the soothing prairie lands of today.

He uses simple language and vivid imagery to transport the reader to literal locations as well as places hidden deep within the soul. O'Michael hopes to invoke a smile or perhaps bring a tear, but most of all-he wants readers to realize life is a miraculous gift, not to be overlooked. Take a moment to slow down, and feel the pull of *Love, Inspiration, and Adventure*.

Truman Gallagher:

As we know that book is significant thing to add our understanding for everything. By a book we can know everything you want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This book Love, Inspiration, and Adventure: But What Do I Know was filled with regards to science. Spend your extra time to add your knowledge about your technology competence. Some people has various feel when they reading a new book. If you know how big good thing about a book, you can experience enjoy to read a reserve. In the modern era like today, many ways to get book that you simply wanted.

Jeff Jones:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Love, Inspiration, and Adventure: But What Do I Know can make you sense more interested to read.
