B.J. Novak

**One More Thing: Stories and Other Stories** B.J. Novak

WITH SPECIAL APPEARANCES by Lena Dunham, Jenna Fischer, Mindy Kaling, Julianne Moore, Carey Mulligan, Katy Perry, Jason Schwartzman, Emma Thompson, and Rainn Wilson

B.J. Novak's *One More Thing: Stories and Other Stories* is an endlessly entertaining, surprisingly sensitive, and startlingly original debut that signals the arrival of a brilliant new voice in American fiction.

A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover how claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We also meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . *down*.

Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element that might just make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.
