Pursuing Their Fantasies (1Night Stand) Kayleigh Malcolm

When Amadora wins a trip to a Mexican resort, she contacts Madame Eve's 1Night Stand service to live out a one-time fantasy—a night with two hot men.

Undercover DEA agents Jason and Angus have been playing it fast and loose with each other. The sex is good, but Jason blames himself for his wife's death during a stakeout and refuses to weigh his heart down with any more guilt. Angus hasn't told Jason how much he cares about him for fear of being pushed away.

Meeting Amy forces them both to reevaluate their relationship and consider more than one night as a threesome. When her life is threatened, can the three of them accept the risk to their hearts and take a chance on the love they all crave?
