## The Cove: A Novel Ron Rash

“Set during World War One, *The Cove* is a novel that speaks intimately to today’s politics. Beautifully written, tough, raw, uncompromising, entirely new. Ron Rash is a writer’s writer who writes for others.”  
—Colum McCann

“Ron Rash is a writer of both the darkly beautiful and the sadly true; *The Cove* solidifies his reputation as one of our very finest novelists.”

—Richard Russo, Pulitzer Prize-winning author of *Empire Falls*

Here is a magnificent tale that captures the wondrous beauty of nature and love—and the darkness of superstition and fear—from one of America’s most exciting contemporary novelists. With *The Cove*, Ron Rash, author of the acclaimed *New York Times* bestseller *Serena*, returns to the Appalachian milieu he has previously so memorably evoked. A two-time O. Henry Prize winner for his short fiction—and recipient of the 2010 Frank O’Connor International Story Award and the 2010 SIBA Book Award for his story collection *Burning Bright*—Rash can expect more honors for *The Cove*, a novel that brilliantly explores often dangerous notions of patriotism during wartime. This story of a love affair doomed in the rising turmoil of WWI resonates powerfully in today’s world.
