## The Julian Barnes Booker Prize Finalist Collection, 3-Book Bundle: Flaubert's Parrot; England, England; Arthur & George (Vintage International) Julian Barnes

Julian Barnes, recipient of the 2011 Man Booker Prize, is one of our most highly regarded novelists. In this collection of three novels spanning his career, we see the broad range of his imagination and literary skill.

Barnes's third published novel, brought him worldwide acclaim and was shortlisted for the Booker Prize. "A high literary entertainment" (*The New York Times*) *Flaubert's Parrot* is, among other things, a piercing glimpse at the nature of obsession and betrayal, both scholarly and romantic. Barnes's second shortlisted novel, *England, England*, is a sly, a satiric invention, in which a visionary tycoon attempts to replicate a jolly old England that probably never really existed: Robin Hood's men are genuinely merry and the royals all behave themselves impeccably, until, of course, everything begins to go horribly wrong. Finally, *Arthur & George* re-creates late-Victorian Britain, in which the fates of two vastly different men become entwined, one seeking vindication in a world that looks askance at his origins, the other creating the world's most famous detective, while keeping his own secrets.
