T is for Teason is dealing with the issues of identity theft elder abuse, betrayal of trust , & the breakdown in the institutions charged with caring, for the weak & the dependent, could not be more timely. It targets an all-too-real rip in the social fabric. It takes us into far darker territory than has ever traversed, leaving us with a true sense of the horror embedded in the seeming ordinariness of the world we think we know. The result is terrifying.
