Previously published as *The Perfect Happiness*

Wonderfully wise Santa Montefiore will capture your heart with this "bittersweet and thought-provoking"\* novel about a modern wife who must ask herself, Would I risk everything for love?

A wife who has forgotten her own beauty and allure. A distant, distracted husband. A smart, candlelit dinner party, witty conversation, and a charmingly rugged vineyard owner from South Africa. So begins Santa Montefiore's powerful and poignant new novel in which a woman who finds herself in a common predicament must confront the most unlikely aspects of herself.

"I hope you don't mind my writing to you," begins the first e-mail bestselling children's book author Angelica receives from Jack. Surely it can't do any harm to indulge in a mild flirtation. After all, she wouldn't risk her stable marriage and the happiness of her treasured children. But things don't stop at an e-mail, and when Angelica goes to Cape Town for a book tour, her affair with Jack begins in earnest. On their last day together, he makes a stunning confession, and now everything Angelica thought she knew about love and passion, safety and experience, right and wrong are entirely upended once again.

A tender book about the true meaning of love and happily ever after, *The Affair* is for any woman who has ever looked up from her steady, secure life and secretly wondered "what if . . ."
