## **T.S., I Love You** Theresa Gladden

As a golden-haired boy, he's rescued a lonely princess from unseen terrors, but the dizzying desire he's awakened in her had turned to bitter hurt when he'd betrayed the fragile trust she's placed in him. T.S. Winslow had never forgotten her beloved rebel, her Moon Man, and sixteen years later she still wore the moon and stars necklace he'd given her when she'd run away from home. When T.S. fled a tempest into his beach house, and into his arms, Logan Hunter thought he'd seen a ghost, a shadow from the past he'd done his best to wipe out forever. Now the girl who'd first tasted love from his lips was a woman with the power to breach the wall of icy fire he'd raised around old sorrows. Could she heal his pain with forgiveness, and light the dark corners of his heart?
