Allah Is A Deceiver (A True Story) (Volume 3) K.M. Lessing

Although worn out, K.M. Lessing continues to narrate Part 3 of her very politically incorrect true story, including the following: the regrettable day she lost her sexting virginity, the depression that comes with being the reluctant mistress of a questionable religious leader from Iran, her first-hand experience with Islam, how to explain Ayatollah Khomeini to an American, the importance of becoming independent from people who want to control you, leaving alcohol behind and finally escaping The False Fairytale. **This book is a true story and contains authentic transcribed text messages, voicemails, conversations, and a few select pictures.** Throughout her book, K.M. Lessing provides her perspective and critique on painful relationships with Persian guys, the question of marriage, atheism, American TV-head zombies, the Khomeinists living in the United States and Iran, the myth of the holy man, and men's accountability for their errant sexual behavior. Finally, K.M. asks this all-important question: who is the real Christ?
