An Easy Introduction to Financial Accounting: A Self-Study Guide V.G. Narayanan

This book is a self-study guide written for someone who wishes to teach themselves basic financial accounting. It is based on a course by the same author that has been successfully completed by thousands of students worldwide. It explains concepts in simple language with illustrative examples, provides review questions and quizzes after each chapter and section, and contains two full-length practice exams at the end of the book. This book compares and contrasts US GAAP and IFRS for every topic covered in the book. For a preview of the book, please see: www.createspace.com/Preview/1186020
