Cheap Chic: Hundreds of Money-Saving Hints to Create Your Own Great Look Caterine Milinaire, Carol Troy

“I think it’s terrific.” –Diane von Furstenberg, of the original edition of *Cheap Chic*

Beloved by designers and style mavens alike, the LBD of fashion guides—with a new foreword by Tim Gunn—is back and more in fashion than ever.

Before there were street-style blogs and ‘zines, there was *Cheap Chic*. Selling hundreds of thousands of copies when it was originally published in 1975, this classic guide revealed how to find the clothes that will make you feel comfortable, confident, sexy, and happy, whether they come from a high-end boutique, sporting-goods store, or thrift shop.

Astonishingly relevant forty years later, *Cheap Chic* provides timeless practical advice for creating an affordable, personal wardrobe strategy: what to buy, where to buy it, and how to put it all together to make your own distinctive fashion statement without going broke. Alongside outfit ideas, shopping guides, and other practical tips are the original vintage photographs and advice from fashion icons such as Diana Vreeland and Yves Saint Laurent. Inspiring decades of fashion lovers and designers, *Cheap Chic* is the original fashion bible that proves you don’t have to be wealthy to be stylish.
