Step Inside (Forbidden Romance) Molly Hoffer

Step Inside is Molly Hoffer's incredibly taboo debut novel.

Sibling rivalry doesn't even start to describe it. She has a reputation to uphold.

Dominic the last guy on the planet she'd hang out with. So why can't she take her eyes off him?

They didn't even warn her he was coming to live with them. Some foster kid who she was supposed to treat like a brother. As if. He needs to get out of her house, out of her life, and out of her head. He's trash, but he's confident. She hates him, but she wants him.

Can they resist each other?

Can they stand each other?

Their lives crash into each other with fighting, flirting, and giving into their primal urges. Things get complicated between them fast. It's hard to start a relationship with someone you hate, and someone who's supposed to be part of the family.

Neither of them will ever be the same.

For mature audiences only. Contains explicit taboo sex scenes.
