## **The Secrets of the Power of Intention** Dr. Wayne W. Dyer

Intention is generally viewed as a pit-bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, intention is viewed very differently in this recording. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This audio explores intention - not as something you do - but as an energy you're a part of. We're all intended here through the invisible power of intention. Informative and entertaining, The Secrets of The Power of Intention, Dr. Wayne W. Dyer's latest audio program recorded live at the Miraval Life in Balance(TM) Resort and Spa in Arizona, unlocks the power of intention and could truly change your life!
