## What do you have to do to be *one of the guys*?

Loren has been chasing after the two older boys **he grew up with** for six years, hoping to be part of their close knit bond. Being so much younger, and kind of a lanky nerd, he never felt like **one of the guys**.

After three years of working out his body, and transforming into a gorgeous, lean piece of hotness, his hour has finally come as Casey and Matt **come home for the summer** for a break from College. But when Loren gets caught scratching an old itch, with Casey's jock strap on his face, he'll get closer to the two men than he ever would have guessed!

It's a touching, sexy, raunchy look at growing up and being one of the guys.
