Angels 101: An Introduction to Connecting, Working, and Healing with the Angels Doreen Virtue

“Do you have a book about angels for someone who’s a complete beginner?”

Doreen Virtue frequently heard this question at her workshops, so she usually directed audience members to her book *Healing with the Angels*. Yet she realized that even that work is a bit advanced for newcomers. One morning when she clearly saw and heard the title *Angels 101*, Doreen knew that the angels wanted her to write a basic primer on the subject of these celestial beings.

So, the book you hold in your hands is the result of that angelic directive: a nondenominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels and archangels; and frequently asked questions about the angels.

No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels—and it makes the perfect gift for someone new to these concepts!
