BOOK #1: DIY Projects: 22 Surprisingly Useful DIY Projects For Your Home And Everyday Life

Do you ever find yourself wishing your home was as organized and beautifully decorated as those of your friends and family? Or perhaps you are just tired of running into relentless clutter every time you open a cabinet or drawer? How about that messy desk at the office? It's piled high with papers, cluttered with paper clips, not to mention those deadly cords you keep tripping over! Sounds like you're in need of a few DIY solutions.

Many people do not realize how simple it actually is to take something old and refurbish it or to recycle used materials into new organizers. By taking a few minutes out of your day and spending a few dollars at your local craft store, you will find there are endless ways to spruce up your home by doing simple DIY projects. This book is packed full of ideas to help you decorate, organize, and refurbish your home.

In this book, you will find a guide on how to make the following:

- Everyday life hacks: DIY dryer sheets, Plastic bag holders, DIY watering can, Boot noodles, Flat iron covers, Color-coded keys.
- Décor: No-sew pillow covers, DIY display boxes, Art on a hinge, Wooden letter canvas art, Dry erase picture frame, Antique window picture frame.
- Rehabbed Furniture: Rehab old chairs, Cable reel coffee table, Dresser turned entertainment center.
- Organization: New uses for toilet paper rolls, Soup can organizer, DIY chip clips, New uses for tension rods, New ways to use clothes hangers, Window shutter for mail storage, Crown molding shoe racks.

BOOK #2: DIY Projects: How to Easily Repair, Clean, and Maintain Your Home Inside and Outside

We all love to have our own castles, personalized to our own tastes in color, furniture, gadgets and design. This takes many years to create, using money, skill and good organization.

In this guide we will show you how to create an effective household management scheme, so the cleaning and maintenance in your castle, is done in a methodical manner, and not haphazardly.

After reading this book you will learn tips on:

- Plumbing
- Wall and floor maintenance
- Caring for windows and doors and the outside of your home

BOOK #3: DIY Projects: Complete Do-It-Yourself Manual For Home Repair, Maintenance, and Improvement, Designed to Save You Time and Money

We all look at our homes and see the little details that could be improved. We want to take our home to the next level, updating various rooms, but it all comes down to money and knowledge. We don't always have the money to hire a professional to come and do the work we want, and if we can't hire a professional to come then our home just stays the way it is and never gets the updates we dream of.

Here are the specific topics we will discuss:

- Do-it-Yourself Flooring – A list of flooring options for you to consider if you have flooring in your home that needs updating
- Do-it-Yourself Wall Treatments – A list of wall treatment ideas to help update your walls and give them a little spunk to enliven any space
- Do-it-Yourself Organization – A list of ways to organize those pesky spaces that are always bugging you
- Do-it-Yourself Furniture Repurposing – Taking all those great flea market and garage sale finds and repurposing them into wonderful pieces of furniture in your home
