Game of My Life New York Giants: Memorable Stories of Giants Football Ken Palmer

Several legendary Giants players share their fondest single-game experience and memories - largely in their own words. Some of these games involve championships, while others seem ordinary save for extraordinary personal meaning. In each case, it is the player who singles out the game, the moment in time that is the most defining of his Giants career. Lawrence Taylor, Phil Simms, Otis Anderson, and Tiki Barber are among those former players profiled in this unique book. It provides an in-depth look into the men and games that helped shape and build the New York Giants franchise into the elite status it now holds in the NFL.
