## Storm Toward Morning Malachi Black

"To be both visionary and accurate, true to physics and metaphysics at the same time, is rare and puts the poet in some rarefied company. Black, like a few other younger poets, is willing to include all the traditional effects of the lyric poem in his work, but he has set them going in new and lively ways, with the confidence of virtuosity and a belief in the ancient pleasures of pattern and repetition."—Mark Jarman, *American Poet*

Lush and daring, Malachi Black's poems in *Storm Toward Morning* press all points along the spectrum of human positions, from sickness, isolation, and insomniac disarray to serenity, wonder, and spiritual yearning. Pulsing at the intersections of "eye and I," body and mind, physical and metaphysical, Black brings distinctive voice, vision, and music to matters of universal mortal concern.

## Query on Typography

*What is the light  
inside the opening  
of every letter: white  
behind the angles  
is a language bright  
because a curvature  
of space inside  
a line is visible  
is script a sign  
of what it does  
or does not occupy  
scripture the covenant  
of eye and I  
with word or what  
the word defines  
which is source  
and which is shrine  
the light of body  
or the light behind?*

**Malachi Black** holds a BA in literature from New York University and an MFA in creative writing from the University of Texas at Austin's Michener Center for Writers.
