The Counting Race Margaret McNamara

Level 1: Starting to Read

- Simple stories
- Increased vocabulary
- Longer sentences

Mrs. Connor's first-grade class is having a counting race! They're trying to count from one to ten in less than a second. But no one is fast enough to get all the way to ten before time is up. That is, until the first graders work together to come up with a faster way to count!

From reader reviews:

Joan Rogers:

As people who live in the actual modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by reading books. It is a good choice to suit your needs but the problems coming to anyone is you don't know which you should start with. This The Counting Race is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

William Burns:

Do you among people who can't read enjoyable if the sentence chained inside straightway, hold on guys this particular aren't like that. This The Counting Race book is readable by you who hate those perfect word style. You will find the data here are arrange for enjoyable reading through experience without leaving actually decrease the knowledge that want to provide to you. The writer associated with The Counting Race content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the articles but it just different such as it. So , do you continue to thinking The Counting Race is not loveable to be your top record reading book?

Roger Alford:

Do you have something that you prefer such as book? The reserve lovers usually prefer to pick book like comic, quick story and the biggest some may be novel. Now, why not trying The Counting Race that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world far better then how they react toward the world. It can't be said constantly that reading practice only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start reading as your good habit, you can pick The Counting Race become your starter.

Wayne Martin:

Many people spending their moment by playing outside with friends, fun activity having family or just watching TV the entire day. You can have new activity to pay your whole day by studying a book. Ugh, do you consider reading a book can really hard because you have to bring the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The Counting Race which is finding the e-book version. So , why not try out this book? Let's observe.
