## **BLACK'S LAW: A Criminal Lawyer Reveals His Defense Strategies in Four Cliffhanger Cases** Roy Black

In *Black's Law*, one of America's toughest and shrewdest criminal defense lawyers shows us the life-and-death struggles that occur every day in our criminal courts. This book takes us behind the scenes of four difficult and dangerous cases to reveal the legal strategies, no-holds-barred tactics, and courtroom psychology Roy Black used to make sure his clients received every protection promised by the law. Black demonstrates in riveting detail how a defense attorney must investigate criminal cases by sifting through evidence and preparing for trial. (It's like preparing for war.) He shows us how the principles of law, cross-examination, and evidence -- as well as careful jury selection and skillful use of expert witnesses -- can level the playing field to counter the enormous resources that state and federal prosecutors have at their disposal.

**Black's Law** makes resoundingly clear the crucial role that criminal defense lawyers play in safeguarding the basic right to a fair trial for all.
