Degrees of Deception: America's For-Profit Higher Education Fraud Kevin W. Connell

Degrees of Deception explains the development and widespread abuses of the for-profit higher education sector in America. To illustrate the scope and degree of wrongdoing in forprofit higher education, readers are exposed to the industry in the same sequential order that students experience it in reality. A few examples include predatory recruitment, targeting military service members, questionable quality of programs, predatory lending, high withdrawal and default rates, manipulation of job placement data, and strategic lobbying efforts to block comprehensive reform. Following this analysis, *Degrees of Deception* offers bold and unprecedented solutions to tackle the crisis in a way that protects millions of student victims and taxpayers indefinitely.
