Created by the Directors of MBA Career Development Programs at the Harvard Business School, *Discovering Your Career in Business* and the *Business Career Interest Inventory (BCII)* are based on over ten years of research with more than 650 business professionals. The result is a sophisticated, state-of-the-art career counseling tool that provides a highly nuanced self-assessment profile and direction to specific business work environments and activities that will lead to career satisfaction and success. The *BCII*, provided here on disk, contains its own scoring system and can be run on the floppy drive of any Windows PC.
