A brand new romantic suspense series from the author of the *New York Times* bestselling *Black Knights, Inc.* series, *THE DEEP SIX* features six former SEALS on super-secret black ops, and feisty heroines who know how to handle both lethal weapons and alpha men.

Only two things could make former Navy SEAL Leo Anderson return to the world of weapons and warfare. First, a capsule of chemical weapons lost on the ocean floor, and second, a plea for assistance from the one woman he can't seem to forget-CIA Agent Olivia Mortier.

Now, working together to race against the clock and a deadly terrorist faction, Leo and Olivia must find the missing capsule, all the while battling the intense desire burning between them. If they can survive, can their growing attraction become more than just a momentary flare?
