King Richard III: Third Series (Arden Shakespeare)

William Shakespeare

King Richard III: Third Series (Arden Shakespeare) William Shakespeare

Richard III is one of the great Shakespearean characters and roles. James R Siemon examines the attraction of this villain to audiences and focuses on how beguiling, even funny he can be, especially in the earlier parts of the play. Siemon also places King Richard III in its historical context; as Elizabeth I had no heirs the issue of succession was a very real one for Shakespeare's audience. The introduction is well-illustrated and provides a comprehensive account of the play, critical approaches to it and its varied stage history.

The edition also provides a clear and authoritative playtext, edited to the most rigorous standards of scholarship, with detailed notes and commentary on the same page. With a wealth of helpful and incisive commentary the Arden Shakespeare is the finest edition of Shakespeare you can find, giving a deeper understanding and appreciation of his work.
