Neither Poverty nor Riches: A Biblical Theology of Possessions (New Studies in Biblical Theology)

Craig L. Blomberg

Give me neither poverty nor riches, but give me only my daily bread. (Proverbs 30:8) One of the most difficult questions facing Christians today is that of the proper attitude toward possessions. In wealthy nations such as Britain and the USA, individuals accumulate much and yet are daily exposed to the plight of the poor, whether the homeless on their own city streets or starving children on their TV screens. What action should we take on behalf of the poor? What should we do with our own possessions? In this New Studies in Biblical Theology volume, Craig Blomberg asks what the Bible has to say about these issues. Avoiding easy answers, he instead seeks a comprehensive biblical theology of possessions. And so he begins with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period, then draws out what the whole New Testament has to say on the subject, and finally offers conclusions and applications relevant to our contemporary world. *Neither Poverty Nor Riches* is one book that all should read who are concerned with issues of poverty and wealth. Addressing key issues in biblical theology, the works comprising New Studies in Biblical Theology are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.
