One Night in the Spa Kathy Lyons

A sexy category romance novella from Entangled's Brazen imprint...

His touch will undo her completely...

Fitness gym manager Kim Castillo is in trouble. During her years of rigorous training as a pro racquetballer, her libido was all but shut down. Now that she's "retired" and surrounded day after day by hard male bodies, she's drooling over every guy she sees. Including the spa manager next door-her best friend, David Pepke.

David is determined to show Kim everything she's been missing, one sensuous treatment at a time. Their chemistry is explosive, and every line of friendship (not to mention professionalism) is crossed in a storm of heat and longing. Now he just has to find the right time to confess that he's actually a corporate spy...and convince Kim that their happy ending might actually be the *real* thing.

Previously released on Entangled's Ever After imprint - August 2013.
