Are YOU On The SAFE LIST? "Starting with a terrifying Malthusian premise, and building on that with outstanding visuals and development, R.E.E.P.E.R. Men is an intriguing glimpse into the not-so-distant future. Highly recommended." – Randall Huther, Editor. New comic book series depicts life in the year 2050 as a dark and powerful organization places all citizens on two lists to control overpopulation and the drastic depletion of natural resources. On February 4, 2048, Dr. Konnick Stiffe, a former CIA Phantom hitman, and three unlikely associates formed the R.E.E.P.E.R. organization to help control consumption by reducing world population. Members were secretly recruited based on their profession, knowledge of humanity, and wealth. Some recruiting members were murdered for reasons which remain a mystery. Two years later, the now 128 member organization sanctioned two lists (the Safe List and the Expunge List) as the heart of their governance, with all citizens of this world unknowingly listed. On the Safe List, a citizen lives a normal life with no threat from R.E.E.P.E.R. On the Expunge list, a citizen is considered evil and authorization is given for them to be killed or removed from this planet. Execution of this task is carried out by the combat squad known as R.E.E.P.E.R. Men. With no knowledge of the organization's dark past or true agenda, R.E.E.P.E.R. Men's lives will be changed forever. Remove Every Evil Person Entity Reserve Men Are You On The SAFE LIST? You better hope so!
