T.S. Eliot: A Study in Character and Style

Ronald Bush

T.S. Eliot: A Study in Character and Style Ronald Bush

In this major new study, Ronald Bush probes the complex relationship between the life and work of T.S. Eliot, "one of the most subjective and daemonic poets who ever lived, the victim and helpless beneficiary of his own inexorable compulsions and obsessions." (Randall Jarrell) Bush demonstrates how Eliot's character was torn by the same conflict that charged his greatest poetry: an almost unbearable tension between romantic yearning and intellectual detachment. Skillfully combining biography and literary analysis, he examines all the factors that contributed to Eliot's personal development and explains why these elements were necessary to the production of his poems. From "Prufrock" and *The Waste Land* through *Four Quarters*, Bush traces Eliot's journey of artistic development and relates how his work set the standard for all of twentieth-century writing. An indispensable and beautifully crafted work, *T.S. Eliot: A Study in Character and Style* makes a major contribution to the scholarship on one of this century's most significant artists.

Diane Wilson:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this T.S. Eliot: A Study in Character and Style can make you truly feel more interested to read.
