Wish You Were Here

Loren Rhoads

Wish You Were Here Loren Rhoads

“Lovingly researched and lushly described, Loren’s essays transport you to the graveyard, where she is quite a tour guide. Curiosity and compassion burn at the heart of these essays.”—Paula Guran, editor of Dark Echo magazine Almost every tourist destination has a graveyard. You go to Yosemite National Park: there’s a graveyard. You go to Maui: graveyards everywhere you look. The Arizona Memorial in Pearl Harbor and the Hiroshima Peace Memorial Park: both graveyards. The number one tourist destination in Michigan has three cemeteries. America’s best-preserved Gold Rush ghost town has five. Gettysburg is a National Park because it has a graveyard. Some graveyards are even tourist destinations in themselves: the Old Jewish Cemetery of Prague, the colonial burying grounds of Boston, and Kennedy’s eternal flame in Arlington National Cemetery. Jim Morrison’s grave in Père Lachaise Cemetery ranks in the top five tourist sites of Paris. *Wish You Were Here: Adventures in Cemetery Travel* contains 35 graveyard travel essays, which visit more than 50 cemeteries, churchyards, and gravesites across the globe. Over the past two decades, Loren Rhoads has visited literally hundreds of graveyards. She’s traveled to London’s Highgate Cemetery, strolled through the Paris Catacombs, seen Hollywood Forever pulled back from the brink of destruction, studied Native American graveyards in Michigan, explored a circuit minister’s churchyard on Maui, delved into the Protestant Cemetery of Rome and Zoshigaya Reien in Tokyo, and made stops in Prague, Boston, Los Angeles, Hiroshima, Yosemite, Sleepy Hollow, Gettysburg, and New Orleans along the way. Come along on her adventures in cemeteries around the world. Loren Rhoads was the creator of the cult nonfiction magazine *Morbid Curiosity*. She edited the book *Death’s Garden: Relationships with Cemeteries* and served as the monthly cemetery columnist at Gothic.Net for four years. Now she blogs about graveyards as travel destinations at CemeteryTravel.com. “With her dead-on honesty and her fascination for the dark side of life in all its complexity, Loren’s writing never fails to make me think.”—Thomas Roche, Loren’s editor at Gothic.Net

From reader reviews:

John Frank:

Book is actually written, printed, or outlined for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading talent was fluently. A e-book Wish You Were Here will make you to always be smarter. You can feel more confidence if you can know about every little thing. But some of you think this open or reading some sort of book make you bored. It's not make you fun. Why they could be thought like that? Have you searching for best book or suitable book with you?

Jesus Sandiford:

Precisely why? Because this Wish You Were Here is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Edward Shaw:

Playing with family in a park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Wish You Were Here, you can enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Cassandra Sanderson:

This Wish You Were Here is fresh way for you who has attention to look for some information since it relief your hunger details. Getting deeper you upon it getting knowledge more you know or you who still having little digest in reading this Wish You Were Here can be the light food for you personally because the information inside this kind of book is easy to get by simply anyone. These books create itself in the form which is reachable by anyone, that's why I mean in the e-book web form. People who think that in e-book form make them feel sleepy even dizzy this publication is the answer. So there is no in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the item! Just read this e-book sort for your better life in addition to knowledge.
