## **Classroom Management: A Guide for Urban School Teachers** Sean B. Yisrael

Many teachers who work in urban schools find classroom management to be very problematic. Their university course work, and training, didn't prepare them for the heavy demands of being an urban school teacher. Urban educators need to be equipped with the knowledge and skills needed to effectively manage adverse behaviors, and still deliver a quality education to all students.

*Classroom Management: A Guide for Urban School Teachers* is designed to give educators practical strategies that will help them deal with the unique challenges faced by urban school teachers today. Whether the teacher is a novice teaching professional, or an experienced veteran; he/she will be able to learn how to establish and maintain control over the classroom environment, effectively deal with the most extreme student misbehaviors, establish rapport with students and parents, and reduce the amount of students sent to the principal's office on referrals. After reading this book, teachers will be able to combat the negative forces that adversely affect the classroom setting, and be able to concentrate on teaching and learning.
