It may seem shocking to compare our relationship with God with the notion of "dating." But this book does. With fresh insight and a deep personal spirituality, Horan points out that the desire, uncertainty, and love we experience in relationship with God resembles our earthly relationships: We set aside time for the people who are most important to us. Horan reminds us that St. Francis of Assisi understood and even described his relationship with God in a similar way. Drawing from the Franciscan tradition, *Dating God* encourages us to see St. Francis's spirituality in a new light, challenging us to reexamine our own spirituality, prayer, and relationships, and inviting us into a more intimate relationship with our Creator.
