“It is always satisfying for me to be able to tap into the Vibration of Abraham and to translate their empowering message into our current time and space.

“I really believe that this deck of cards not only contains everything necessary to attract and maintain wonderful relationships, but also explains everything that we would ever need to understand about living our lives here in these bodies at this time.

“Every time I reflect upon the depth of understanding that is reflected in these cards, I am restored to my true nature. This deck of cards is my most precious possession.”

— Esther
