From inside book: "There are many sign painters' books on the market to-day, but no one of them covers all practical work in a brief, understandable way. That is just what this book is intended for. Sign painting is an art, but anyone who can

read and write may learn to paint passably good signs within a reasonable length of time by following the directions given herein. A good sign painter is often referred to as a genius ; genius is nine-tenths hard work. Anyone who finds joy in creating and can stick to his work can be a genius. The so-called "born artists" are no more born with the ability to paint than men are born with the ability to read and write, you must study and practice. Some people learn more rapidly than others, but anyone can learn who wills to do it.
