Sometimes it takes a little magic to find true love...

Jaynell Marley's father's dying wish was to send his son to the Wizard Academy. It only took Jay a short time to realise he didn't belong. His abilities, far more advanced than the other students, could only cause jealousy. Knowing how to speak gnome and summon a dragon put him beyond everyone's skills but the teachers.

Enter Thomas Sparks—a member of the local wolf pack who isn't impressed with Jay's magic. He wants the man himself. One look into Jay's eyes and Thomas knows he's found his life mate. The only problem—convincing the powerful wizard that they were meant to be together.

When outside forces threaten to tear them apart, it will take their combined skills to defeat the evil wizard trying to steal their future.
