## **BOOK #3: Leadership: 33 Lessons on How to Become A Proactive Leader and Successfully Build A Phenomenal Team**

There are all kinds of leaders in the world: dictators and kings, chiefs and elected officials, military commanders and company directors, and employee managers. Even on a smaller scale, team leaders in the workplace, teachers and principals, and clerics are all leaders of other people – and will best succeed in their roles if they are proactive. This book will explain what proactive leadership is, and offers suggestions for improving your own leadership skills to the point where you will be able to build and manage an effective and successful team – no matter if your team is a group of executive financial advisors in a multi-million dollar banking company, or the lady's auxiliary of your neighborhood volunteer fire department.

### **Included in the book are:**

- An explanation of the difference between reactive and proactive leadership
- The benefits of proactive leadership in various settings
- 33 lessons for improving your proactive leadership abilities and building a phenomenal team
- Troubleshooting for proactive leaders
- Links to websites that offer courses, workshops, and self-assessments in proactive leadership
