Within You is the Power Henry Thomas Hamblin

Within You is the Power shows us there is a power lying hidden in mankind, by the use of which any person can rise to higher and better things in life. The object of this book is to help people to bring their inward powers of mind and spirit into expression, wisely and in harmony with the laws of life and to build up character. There is no way whereby the discipline of life can be avoided. There are no means by which fate can be 'tricked,' nor cunning device by which fate can be evaded. Each life must meet its own troubles and difficulties: each soul must pass through its deep waters, every heart must encounter sorrow and grief. But no one needs to be overwhelmed in the great conflicts of life, for one who has learned the great secret of his identity with the Universal Life and Power, dwells in an impregnable city, built upon and into the Rock of Truth, against which the storms of life beat in vain. While this book does not offer any vain promises of an easy life--for, if this were possible, it would be the greatest of all disasters--but rather endeavours to show how to become so strong that life looks almost easy by comparison.
