51 Ways to Bind

Susana Raso

51 Ways to Bind Susana Raso

170 pages. 30,000 words. 51 illustrations. Adult Content This sequel to *The Hemline Theory* explores Cross-dressing, Female Domination, and Bondage, which have recently become fashionably mainstream themes for heterosexuals as well as for those in alternate life styles. Susana Raso's latest work is a parody of this newly popular genre. The book involves young men who need to negotiate the conditions of their captivity at the hands of young women who exercise control over them for various reasons. Although the subject matter is sexually imaginative and original, the author weaves a story that is plausible as well as erotic. As usual, the treatment combines the expected cross-dressing, bondage, domination, and spanking seamlessly with literary playfulness. This book also details additional bondage techniques to supplement the information in Susana's first and most popular work *Bondage Manual for Partners*.
