### **IVY**

The world has moved on, but Ivy just can't. Besides, she has everything she needs on her sustainable-living wooded homestead, and no desire to brave this grim new world.

Until the day a massive bear chases her into an isolated cabin and she discovers she's not alone.

With a giant bear prowling outside and a gruff, bearded, half-naked savage inside, Ivy finds herself cornered. The man, who calls himself Caleb, says he'll take her home, but she doesn't trust him, his offer, or herself with this giant, bronzed, mountain of a man.

He might be able to protect her from the sinister enemies lurking outside—but who is going to protect her from Caleb?

### **CALEB**

Shifter by nature, drifter by choice, Caleb is uniquely designed to survive in this dark, new hell-on-earth, where the rule of law has been replaced by brute strength.

His scars may be deep but his secrets are deeper, and until he meets feisty, sinfully curvy Ivy one fateful afternoon, he's not sure there's much left worth surviving for.

Finding himself unable to resist the tempting, scrumptious morsel who lands on his doorstep, he realizes she's the one he's been craving, and she's more than worth fighting for.

Caleb is determined to keep her safe from everything dark and dangerous outside. But can he save Ivy from herself?

*(This is a stand-alone, no cliffhanger, with an HEA!)*
