Fanny Hill : Memoirs of a Woman of Pleasure (Unexpurgated Edition) John Cleland

" Fanny Hill does more than stimulate; she is a much more complicated part of every male's dreamtime. Fanny is the ideal erotic companion-tender, loving, discreet, always animated by the most delicate sentiments, yet sexually uninhibited, capable of any variation of technique, enjoying an almost unquenchable appetite , guiltless, randy, preoccupied with t he climax of love and obsessed by the size and power of its engines: in fact a male dream, with little contact with the reality of feminine passion." J.H. Plumb (inside cover)
