Raw. Shocking. Provocative. Uncensored. Read the controversial novel about the dark underbelly of high school!

WARNING: Not for the squeamish or light of heart. Contains material that may offend.

Hell, North Dakota. Here, teenagers lose their innocence in a cesspit of recreational and psychiatric drugs, meaningless sex, pseudo-macho ideals, and incessant verbal, physical, and sexual abuse. After a cruel prank causes a girl to commit suicide, her fellow students must face their inner darkness. And none of them may survive prom night...

Praise from reviewers and Amazon readers:

"Raw, real, shocking . . . if only a mainstream publisher today would be brave enough to mass publish this."
- Karl Vadaszffy, UK author of Full of Sin and The Missing

Hell on Earth, and Not in Small Doses

"...a hideous compression of small town evil...Exaggerated? Unlikely? So you or I might say. But the realities of such massacres as Columbine High School say otherwise, with a far louder and far clearer voice."
-- Graham Worthington, author of Wake of the Raven and Zorn

Gloriously Different from Anything Else you have Ever Read

"Take every person you knew in high school and take their bad character traits to the extreme and you will have the characters of Hell High....Personally, I could not put this book down. I finished it in two days in between classes and homework and do not regret it at all."
