Livingstone Vol. 2 Jinsei Kataoka, Tomohiro Maekawa

THE BUSINESS OF SOULS: Sakurai has been working with Y.K. Livingstone for a little over six months, so you would think he'd get the hang of things by now. However, his job—to clean and collect the physical form of the soul—comes with unique challenges that make things a little difficult... What's worse, he's been paired up with a partner who would rather play videogames than work. Dealing with life and death can be heavy business, from witnessing the power of emotional attachment, working with local law enforcement, to questioning whether animals have souls, Sakurai definitely seems to have his work cut out for him...
