My First Book of World Flags

HarperCollins UK

My First Book of World Flags HarperCollins UK

My First Book of World Flags introduces children to the ever-popular topic of flags.

The book is packed with colourful illustrations and photographs. It encourages young children to identify national and international flags. Each national flag is linked to its country shape or International organisation. Includes flags for every country and many of their dependent territories.

Educational and entertaining, and full of colourful photographs. Supporting facts and quizzes.

Part of Collins 'My First' series of reference books for young readers.

From reader reviews:

Michael Collins:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This My First Book of World Flags is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Melvin Hayes:

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is within the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take My First Book of World Flags as the daily resource information.

William Bixby:

Reading a guide can be one of a lot of pastime that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new facts. When you read a book you will get new information because book is one of various ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially fictional book the author will bring someone to imagine the story how the personas do it anything. Third, you can share your knowledge to others. When you read this My First Book of World Flags, it is possible to tells your family, friends and soon about yours publication. Your knowledge can inspire different ones, make them reading a book.

Darlene Beaudoin:

Reading can called mind hangout, why? Because when you are reading a book specially book entitled My First Book of World Flags your head will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely can be your mind friends. Imaging just about every word written in a publication then become one type conclusion and explanation that will maybe you never get prior to. The My First Book of World Flags giving you an additional experience more than blown away the mind but also giving you useful info for your better life in this particular era. So now let us demonstrate the relaxing pattern is your body and mind will probably be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary investing spare time activity?
