Never, Never, Never Give Up! Is a short story that teaches to the little ones of the house, that often difficult situations and events happen and victory is not always in "win", but to focus on our goal, stand up and finish what we started. Never, Never, Never means: Focus: Never forget your real goal, follow your heart. Stand Up: Never stop, tests are to overcome them. Finish: Never allow events and situations dictate your destiny. The journey might be different from what you expect, but the finish line still there, just cross it. Never, Never, Never Give Up! Modeling Derek Redmond and Usain Bolt Success Stories
