What happens when a Christian woman facing a childless future and a woman seeking an abortion are waiting to see the same doctor?

What if after that "chance" encounter they are unable to forget each other?

What if they find themselves drawn together in spite of their drastic differences by their surprising similarities?

What if they somehow find the courage to become friends?

Rain Dance takes the reader into the hearts of these two women as they journey closer to the heart of the One who offers hope and healing.
